The Florida Youth Council invites you to register for The 2nd Annual Youth Summit this August 7-8 in Orlando.

The 2nd Annual Youth Summit is a two-day event open to youth and emerging leaders with disabilities between the ages of 13 and 30 from local communities throughout Florida. The event will bring together youth and emerging leaders with disabilities to discuss the issues that most concern them, including navigating the workplace, voting, fitness, and disability history and awareness. There will also be plenty of opportunity for summit attendees to network informally, get to know each other and share their thoughts, experiences and aspirations.

The 2nd Annual Youth Summit is hosted by the Florida Youth Council (FYC). This group works together to create positive change for their peers with disabilities throughout Florida. The FYC is all about getting youth and emerging leaders involved in self-

advocacy, peer mentoring and other activities that will improve the quality of life for youth with disabilities throughout the state. The FYC's members believe in empowering youth and emerging leaders to decide what issues are important to their generation, to address those issues in their state and local communities, and to develop strategies to solve them.

The 2nd Annual Youth Summit will be held at the Florida Hotel and Conference Center in Orlando this August 7-8 2009, and limited financial assistance is available. The room rate is \$104 per night. Please contact The Florida Hotel directly at 407-859-1500 to make reservations. For more information, contact the Florida Youth Council and The Family Café at 888-309-2233, or visit [www.floridayouthcouncil.com](http://www.floridayouthcouncil.com). We will look forward to seeing you in Orlando this August!
